- 1:00** **Welcome and Introductions** - *Consensus Building Institute (CBI)*
- Welcome participants, finalize last meeting summary.
 - Welcome new CAG members and updates on membership.
- 1:10** **Five-Year Review** *Environmental Protection Agency (EPA)*
- Now that the CAG and the public have had more time with the report, EPA would like to continue and expand its engagement and discussion. EPA's presentation will include further information about the report including the special studies and follow up actions.
- 2:30** **Break**
- 2:45** **Project Updates** - *EPA*
- Floodplain - comprehensive study progress and next steps. Discussion of immediate actions being taken where PCBs are elevated in areas used by the public and property owners. Additional discussion regarding areas identified in the Schuylerville area by resident/CAG member.
 - Lower River - update on the sampling work completed this year.
 - Upper River - other important work - habitat restoration, overview of 2024 sampling work and data evaluation/analysis status.
 - Deconstruction of Allen Mill and the Powerhouse – update on progress, schedule, and next steps.
- 3:45** **Wrap Up**
- Reminder about FYR public comment period – how to provide comments to EPA.
 - Early December CAG meeting in the upper river area, likely in person. Possible lower river in-person meeting in early 2025 (March timeframe).
 - CAG thoughts about potential in-person meetings and the travel commitment.
 - Final remarks: CAG members, EPA and NYS (DEC/DOH).
- 4:00** **Adjourn**
